ABOUT US

The RW Group provides consultation services to everything from small sized companies to government entities. Our services include project management, human resources consultation, team building and business process re-engineering to improve efficiency and reduce administrative costs. We also recognize that challenges also happen in our personal lives so we also provide consultation for mental health and emotional coaching services to our clients to help them with engaging in their personal relationships to include marriage and family.

OUR SERVICES

- **Coaching Services**
 - Executive Coaching
 - Leadership Coaching & Training
 - Positive Intelligence Program
 - Leadership Personality Assessments
 - Personal Development
- **Training and Facilitation**
 - Communication Intelligence
 - Team Development
 - Parenting Intelligence
 - Personal Awareness

WHY CHOOSE US?

That is what makes The RW Group the prime candidate for organizations. We assist clients to become comfortable in their way of communication through self-awareness and confidence, while at the same time giving intelligence to be able to recognize the diversity of personality styles in others. Proper application of this can lead to better self-awareness, which leads to better understanding and self-esteem. With training and coaching, this confidence can decrease anxiety, stress, and depression while increasing a sense of resiliency. Certifications include: Personal Success Facilitator, Team Building, Intelligent Communication, Intelligent Parenting, and Instructional Systems Development.
